24-25 martie 2023
Facultatea de Mecanica - Universitatea
Tehnica "Gheorghe Hehler" Iasi
SECTIUNEA I
TEHNICI DE LABORATOR
Mecatronica - Liceu

The projector screen displays a presentation slide. On the right side of the slide, there is a graphic of a hand holding a stack of money. The text on the slide is organized into several sections, likely containing bullet points or numbered lists, though the individual words are not clearly legible due to the distance and lighting. The slide has a light green background on the right side.

Modalitati de promovare:

Principalele sunt:

- Publicitate
- Sponsorizare
- Marketing personalizat
- Marketing de afiliere
- Marketing de conținut
- Marketing de influență
- Marketing de recomandare
- Marketing de referință

Phosphorus Pentoxide (P₂O₅)
Acidic Oxide
Reaction with Water: P₂O₅ + 3H₂O → 2H₃PO₄
Reaction with Bases: P₂O₅ + 6NaOH → 2Na₃PO₄ + 3H₂O
Reaction with Silica: P₂O₅ + SiO₂ → P₂O₅·SiO₂
Reaction with Carbonates: P₂O₅ + CaCO₃ → Ca₃(PO₄)₂ + CO₂
